Without a Song

Now . . . with our whole lives before us, it is hard to think of "looking back" and "remembering." Yet, that is what a yearbook is for. It is a good book only if it captures the moods, and thoughts, and big moments for each of us in the year 1951-52.

What better way is there to capture these moods and moments than in the songs we song and loved to hear?

The throb of the bass, with a clear trumpet cutting through will remind us of all the dances—the big formal affairs, and the colorful post-game haps.

The novelties like "Come Onna My House," and "How High the Moon" will remind us of what we talked and laughed about all year.

. . . And the love songs . . . well, every couple has their favorite one, wrapped up with something special they like to remember.

That is why he have chosen "Without a Song" to set the mood for our annual.

. . . Without a song, the CORONAL would fail to capture within its pages the highlights and good times . . . the moods and the happiness of the year. -KF-

Mr. Frazier is CHS's principal — and many things more.

Aside from contending with students' problems in his role as principal, Mr. Frazier is known by all as an understanding friend. His helpful guidance has given many students and graduates the encouragement to go on to their goals. Caranal salutes CHS's principal and all CHSers' friend.

Sentimental Me

In years to come, one of your mind's favorite reminiscent journeys will be back to the 1951-52 campus life at Corona Senior High School. Coronal will be honored to be your guide.

This year's Coronal staff hopes to accomplish just one thing this year in trying to help you recapture some of the quizical expressions of your favorite teachers, the new gestures shown by the drama students strolling through the hall, the flaming new jerseys that the team was so proud of—and, of course, the wonderful football rallies, snake dances and parades of which the gold-clad song and yell-leaders were a big part.

With these many activities the Coronal hopes you'll hear in the background the strains of 1951-52's popular music — "Tenderly", "Sin", "Undecided".

Coronal is pleased to have had a part in helping you keep and hold the beauty, poetry, humor and songs of 1951-52 at ~~CHS~~^{CHS} C.D.

Faculty and Administration

Ask Me No Questions

Mr. Samuel E. Waldrip, Assistant Supt. of Schools, and Mr. George M. Kibby, Supt. of Schools, are seen planning for the new Administration Building interior to be erected at the old Lincoln School site.

Many teachers here at CHS enjoy doing exactly what Mrs. Arnold, World History, Sr. Homemaking, and Homemaking 11 teacher; and Mrs. Peterson, Sr. Homemaking, Homemaking 10, and World History teacher also, are doing.

Mr. Pape, Chemistry and Biology teacher, was caught in this picture doing an experiment.

Mrs. Marion Griswold, being Dean of Girls, Vice Principal, and a shorthand teacher, is usually seen doing this sort of thing as only a part of her activity here at CHS.

Miss Powell, CHS librarian, and Miss Escalante, English and Spanish teacher, have taken a brief pause to step outside their respective classes and have a breath of fresh air.

Bonaparte's Retreat

Mr. Ritter, journalism and English 10, 11 teacher, and Mr. Addison, U.S. History teacher, have evidently decided to take their pay in advance.

It seems as though Mr. Ayllon, U.S. History and World History teacher, has decided to take off from his worries and make a visit to Mr. Pauly, Metal Shop instructor, and indulge in making a metal "hickory stick."

Any time during the day you can find a sort of thing at meal time. Teachers are Mr. Bynum, Typing and Shorthand and Typing teacher; Mr. Heckel, the reason for our

These two teachers were newcomers to CHS this year. Mr. Bottaro — being English 10, 11 teacher, and Miss Lopez, the French teacher and also gym teacher — examine a strange French book, entitled, "France."

These two men are coaches here at CHS. Mr. Looney enjoys working with the boys in their gym classes, while Mr. Merk, a World History teacher besides being a gym teacher, has to divide his attention between two different subjects.

...y see the teachers doing this
...ners taking time out to do this
...okkeeping teacher; Mrs. Ryan,
...rs. Lois Tait, gym teacher; and
...art-looking CHS band.

Mr. Farmer, the reason for our performance plus, CHS Glee Club, is trying to instruct Mr. Newman, English 11 teacher, how to operate a piano.

Also new teachers this year at CHS are Mr. Gaier, an English 10 and a drama teacher, and Mr. Guilmette, an American Problems teacher. Here they give an example of an American Problem that confronts some high school students.

Mr. Froseth, geometry, algebra, and physics teacher, and Mr. Taylor, Drivers Education teacher, seem to enjoy working with experiments as their favorite past time.

Mr. Pitts, Vocational Ag. teacher, Mr. Brooks, mechanical drawing and woodshop teacher, and Mr. Duncan, math., geometry and world history teacher were caught unaware that their picture was being taken.

It's All Over But The Memories

CHS — frantic cramming, muddled up meetings, piles of home work, stupendous times, heaps of fun, and a neat Student Body "of which there was na whicher" (gads what a bunch of characters.)

Every morning Mr. Frazier wrote a little bulletin to let us all know what was coming off. It went something like this:

Gaod morning students. Period six will be during period three and report to period one during the last half of period five.

Bus students riding busses 2, 3, and 5 will prepare to leave five and o half minutes early to catch their regular busses 76 and 42 instead of busses 33 and 8 which they were scheduled to ride previously at 3:03.

All girls please meet in Mrs. Griswold's office "snotch period" today.

Hey Kids! The Welfare committee reports that of the \$72.00 collected Tuesday \$4.26 will be spent on baby booties for South Africons. Thanks o lot kids.

When we were late — more dying grandmathers, car break-downs and committee meetings developed than a barrel of mankeys could take care of — as understanding Mrs. Giersch and preciaus Francis Martinez stood in the office madly writing out yellow tardy slips.

The C.H.S. girl was o sweet and charming creature. All were agreed upon this fact except for a certain group of individuals called "bays" often seen loitering around the CHS campus. They often asked us girls haw much Sam Speer had gyped us out of for those horrible choins we wore around our necks. (Known to oll as medallions.) These some boys never said how nice we looked in our turtle necked bat-wings (sweaters that is) and on top of that this bunch of "creeps" had the colossal nerve to say that our neat all-white buckskin shoes "were for the birds." Then they'd get in little gangs around the Hi-Spot or out by their hot-rods and goof-off or stond and talk about "cams" and drilling "holes in heads," and "twin pipes" and things like that, while we silently insulted the clothes they wore. Levis or cards or blue denims were the most important thing with cuffs rolled up and tops pulled way down, the lower the better, with Lettermen or class sweaters, leather or suede jackets. Other than their flat top or butch hair cut and their hot rads their pride and jay was usually a pair of handmade orgyle socks, the lauder the classier. Shoot! How could we girls soy they were "corny lookin'" when we were the ones who knitted them?

Eee Jallal! I almost forgot — our never to be forgotten assemblies. Most of us usually left our studentbody cards at home but finolly we'd stumble to our assigned seats and prepore far same "chongo" entertainment. Louie, the neatest studentbody president ther ever was, was always there to apen the assembly in one of his neat white shirts. At the end — as music to the eors of oll — come the words "Seniors leave first".

After dances and games the mob usually wound up at the Mava or Lindy's to bathen the car haps, have o coke and listen to songs on the juke box like — "Mule Train," "Hey Good Lookin'," "Co Mon A My House," "Because of You," and "Sin".

And the weather — in December and January while everybody fraze in the cofeterio line waiting for spaghetti, the boys smudded and grew rich. In September and June everybody nearly kicked off it was sa hat, but in the Spring — ahhh me — the weather was truly perfect.

Our schaal was the greatest and our studentbody spirit was wonderfull! It would have been nice to have a new gym or o student lounge, or same new bleachers for splinterville but our spirit was so good, and our teams were so - - err - - sa - - well - - our teams tried sa hard, that we still went around yelling "Beot Bonito" (hol hol — us dreamers us), and having football porodes, pep assemblies and banfire rallies to cheer them on to victory aver such teams as (which one was it now?) Oh yes — dear old St. Joseph High.

These things and countless others meont CHS to us. Heaven knows why, but each of us loved it and as the years go by we will olways remember our dear CHS and utter with pride our favorite expression —

"I like it!"

Soph Activities

Organizations

I Get Ideas

The school year started off with a bang as the student council introduced many new and different activities such as the bonfire rally, the snake dance and the car parades.

Great enthusiasm was shown by the hundreds that participated in these events. Such enthusiasm proved the student council's efforts were not in vain.

Panther's Roar

I'll Never Be Free

In the picture above are some of the socks worn by CHS'ers to the Sack Hop which was sponsored by the Panther's Roar staff.

Many changes occurred in the journalism department this year. Its enrollment enlarged and they changed the name of the school newspaper from Ko-Hi-Nur to Panther's Roar.

French Club

C'este Si Bon

The French Club, a newly organized club this year was started by Miss Margaret Lopez, the new French teacher. French Clubbers are best remembered for their attractive booth at the Halloween festival. To the right is the picture of the booth.

Drama Club

There's No Business Like Show Business

Entertainment of a high grade came from this year's Drama Club which was under the direction of Mr. Gaier. Lemonville and the Junior play were two of the biggest attractions.

Senior High Band

This year the Senior High Band has been an outstanding organization for its many activities witnessed by hundreds. The band council decided upon the activities of the band. Numerous performances were exhibited during the half-time of the football games, including the amusing toreador act. The band has made many out of town appearances, such as at the Indio Fair, National City, and the Long Beach parade—not to mention the many others. Guiding hand of the band this year has been Mr. Charles Heckel.

One of the biggest events of the year for the band was the "Holiday for bands" dance. The band invited all the bands of the league to attend. The idea of the dance was to promote friendship and to achieve better understanding among the different bands. The dance was formal and was a program affair.

Dear Mr. Lutzger,
It would be impossible for
me to express the gratitude I will
always hold for you and your
wife and Corona Senior High.
It has meant more than
words can say to me
to attend E. H. S. - the
most terrific school
in the world and
to know you - the
most perfect principal
of your most perfect
school. I will always
thank you.

Activities

Under the romantic spell of "moonlight and roses"—Lois Pace and John Crossley pause beside the wishing well at the annual Lemonville dance.

"With cries of traitor on her lips mysterious Agent QR-22 climaxed one of the most unusual pep assemblies of the year by shooting a St. Joseph spy and distributing "secret instructions."

Mr. Kargin - the
to me of
nicest fellows
ever. Hope you
have a good
you with you

Sports

Cloremont came to our gridiron for the first conference clash of the year and we were downed 14-6 in a hard fought game. The Wolfpack didn't put the game on ice until the last three minutes of play. Bob Stark made the only touchdown after Paul Mirondo set it up on a 40 yard gollop.

The second league game was a runway for Citrus as they scored in the first, second and fourth periods. We finally scored in the last stanza as Paul Mirondo scored from the two yard line. The score was set by a pass to Louis Dolcorno that was good for 14 yards.

Bonito didn't have too much trouble in taking their contest with us. They won on a handy 33-14 score and the only time that we played good football was in the third quarter. Larry Schimpf and George Abocherli scored one touchdown apiece for us and Don Wyrick made two conversions.

We were unable to punch across the goal line on the night that we played Puente and they took the contest 19-0.

The Warriors scored once in the first, second and fourth quarters with Pete Conde being their outstanding grid man of the night.

Our last game was also a terrible setback for Corona rooters as we lost to the Chino Cowboys 36-19.

Larry Rhyner scored twice for us on quarterback sneaks as he played one of the best games of the season.

The most spectacular play of the night was a pass from Larry Schimpf to Bob Holmes that was good for 71 yards and a touchdown.

Although the Panther basketball squad had what could be called a disastrous season in '52 there is more to look at than the win and lose column.

This year's experience has been very valuable to the juniors and sophomores. As there were only two seniors on the squad, the experience will show up when the '53 season rolls around.

One of the two seniors on the squad was elected captain and a junior was given the honor of being most valuable player.

Larry Rhyner and Jack Phillips were elected captain and most valuable player respectively.

This year's top scorer was Bob Stark with 78 points in the 10 league games.

Jack Phillips scored 72; Frank Emerson and Larry Rhyner, 39 apiece; and Gerald Gaddie and Buddy Martinez, 25 each.

We scored a total of 324 points in the league while our opponents dumped in an even 600 points.

After getting off to a good start in the first round of league competition the Panther Kittens fell behind the second time around and ended up in fourth place.

There will not be any first stringers returning to the B ranks but the three men that don't graduate this year will bolster the varsity ranks next year.

Mike Schenck and Bob Regan graduate this year while Vico Rameriz, Karl Nelson, and Royce Ernest will move up to the other squad.

Royce Ernest, a sophomore, was chosen by his team mates as most valuable player and Mike Schenck was elected captain.

Royce Ernest was very deserving of the most valuable player award and also was given a place on the All-League team.

Royce was a top scorer with 134 points for an average of 13.4 points a game.

Bob Regan followed with 105 points in the scoring column for 10.5 points a game.

Mike Schenck came along with 70 counters and Vico Rameriz followed close behind with 69 digits.

Karl Nelson was lowest in the high scoring column with 35 points.

Corona and its opponents scored 447 points apiece during the ten games of league play.

Track Team

This year's track teams showed promise in some of the events and with Mr. Looney and Mr. Guilmette doing a fine job of coaching their young hopefuls many of the boys have proven to be fine track and field men.

The outstanding hurdler for the year was Bob Holmes who completed his third and last year of athletics.

In their year at high school Joe Vallenari and John Lo Porto did a great job at their respective distance points in the 100 and 220 yard dashes.

Don Wyrick was the outstanding weight man in his last year of competition.

George and Gerald Abacheri are two of the fastest sprinters that the Panthers have this year and they have been consistent point getters at all of the meets.

Our distance men are of fair quality and Bob Holmes will be the spark plug in the high jump as well as the hurdles.

*Lots of Luck to you. It sure has been a swell year for me here at Corona Hi.
Sincerely
George Abacheri*

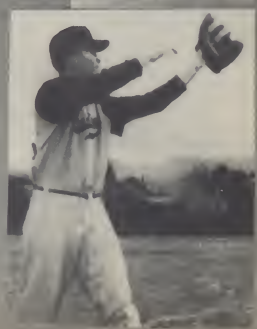

*Best of Luck to you and to your teammates.
Sincerely
George Abacheri*

After a long string of losses in football and basketball it was good to have a baseball team that could break one string of fifteen league defeats.

Baseball

Take Me Out To The Ball Game

This year's squad had a well developed pitching staff in Tony Cervantes, Joe Uribe, and Paul Miranda.

Boy's Tennis

After a lapse of one year the Corona tennis team came back into existence. Mr. Guilmette took over the coaching of this sport and although the boys had a bad season they improved steadily.

Jim Robertson and Tommy Danieri played first doubles while Tom Rodda and Louis Swift held down the second doubles slot.

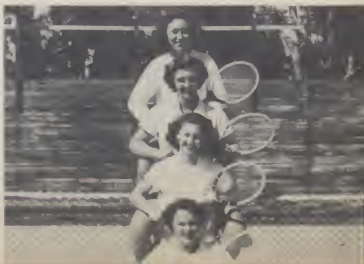

Although the tennis league games didn't start until the latter part of April, the team had many practice games with Santa Ana, Elsinore, Perris, and Pomona, to get in shape for the league games.

This year the team consisted of five singles and two doubles. In addition it was decided that two extra doubles would go along with the team for their enjoyment and also for experience.

The team consisted of the following girls: Pearlie Madron, Mary Eleanor Wood, Mary Ann Lunetta, Janice Brooks, Jo Kegley, Socorro Garcia, Sarah Morrow, Lois Pace, Gloria Mendoza and June Shaw.

The badminton team also went out of town with the tennis team to battle with the other schools. The following girls helped to make a go of the team: Betty Bibles, Evelyn Parks, Janis Wray, Shirley Spencer, Mary Blair, Barbara Austin, Donna Ragsdale, and Lila Erickson.

TOP TEN PLAYERS OF THE YEAR

These ten girls were chosen for their athletic ability, attendance at G.A.A., contribution to the team, and sportsmanship. The top ten are outstanding in all sports and it is a great honor to be chosen as one. Pictured here for speedball are Gloria Mendoza, Pearlle Madron, Janis and Janet Wray, Jo Anne Brinkman, and Bert Roy. In softball, Dora Mendoza is observing Shirley Spencer slide into home while Socorro Garcia tags her. Guarding Donna Ragsdale at basketball is Janice Brooks.

All these girls have worked hard this year and deserve credit for their efforts.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–2000) and is projected to increase by a further 1.5 million by 2020 (Office for National Statistics 2001). The number of people aged 65 and over who are living alone has increased from 1.1 million in 1990 to 1.5 million in 2000 (Office for National Statistics 2001). The number of people aged 65 and over who are living alone is projected to increase to 2.1 million by 2020 (Office for National Statistics 2001).

There is a growing awareness of the need to address the needs of older people living alone. The Department of Health (2000) has identified the need to develop a national strategy for older people living alone. The strategy should focus on the needs of older people living alone who are at risk of isolation, loneliness, and social exclusion. The strategy should also focus on the needs of older people living alone who are at risk of poverty and social exclusion. The strategy should also focus on the needs of older people living alone who are at risk of health and social care costs.

Mr. Frazier, I shall never be
able to express or describe the
joy your friendship has given me
throughout high school. May I
extend my gratitude for making
my stay at C. H. S. so happy.
My appreciation is overwhelming.

Sincerely,
Smith Daleano

What good is a song . . .

If the words just don't belong

And a dream must be a dream for two

No good alone

To each his own

And my own is you . . .

Mr. Frazier - Thank you so much
for your advice and help -
especially when we got carried
away in our enthusiasm &
needed some sound advice.
Thank you for your
friendship.
Sincerely -
Karen Fossett

Gazing down on one of the last pages of the Coronal is the tired but triumphant staff. This staff worked hard and long to make this year's annual good. The big push behind the staff was their editor Carm Danieri and Assistant Editor, Karen Froseth. Mr. Ed Ritter was the sponsor of this group. To start off with a bang the Coronal staff launched a beach party at the beginning of the school year. Pictured above from left to right are: Jack Galbraith, Larry McNutt, Paul Mahoney, Carm Danieri, Ellene Bakenhus, Katherine Hacker and Eloise Cox. Missing from the picture are: Mary Ann Lunetta, Lois Pace, Eddie Munn, Sue Johnston and Karen Froseth, Assistant Editor.

As the 1952 Coronal comes to a close I would like to express my appreciation by saying thank you to Mr. E. Ritter for his outstanding supervision on this year book, and to Mr. Hubbell of the Advertising Production Service, Alhambra. Also I would like to thank the hard working staff which put your Coronal together. They were: Katherine Hacker, Sue Johnston, Ellene Bakenhus, Lois Pace, Mary Ann Lunetta, Larry McNutt, Eddie Munn, David Madruga, Paul Mahoney, Eloise Cox.
